SUBSCRIPTION FLEET KEY & ROADSIDE

POWERED BY:

Keep Your Fleet Moving Forward

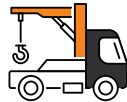

Subscription Fleet Key & Roadside is a month-to-month subscription program with no long-term commitments, offering flexibility and freedom. Whether your fleet is local, regional, or national, RoadTitan provides emergency roadside service and covered repairs that stay with your vehicle, allowing multiple drivers to be protected while on the road. Our program is seamlessly integrated with COVI, the "Connected Owner Vehicle Intelligence" mobile application, allowing you to keep track of all things auto, like maintenance and warranty information.

This program utilizes three categories (Light Duty, Medium Duty, and Heavy Duty) to breakdown the 8 Gross Vehicle Weight Rating (GVWR) Class Guides that manufacturers use to label vehicles based on governmental guidelines.
