

ELD Fleet™

Comply with Confidence

FMCSA-Compliant Electronic Logs

With our **electronic logging software**, your drivers can log their hours and get on the road faster than ever before. With the final ELD Mandate compliance deadline rapidly approaching, **don't wait until December 16** to implement our convenient, mobile-friendly solution. Start now to ensure you're ready for **compliance success** in plenty of time.

Driver Alerts

Convenient alerts keep drivers informed, reducing violations.

Clear Indicators

A clear log display makes it easy to identify violations.

Customizable DVIR

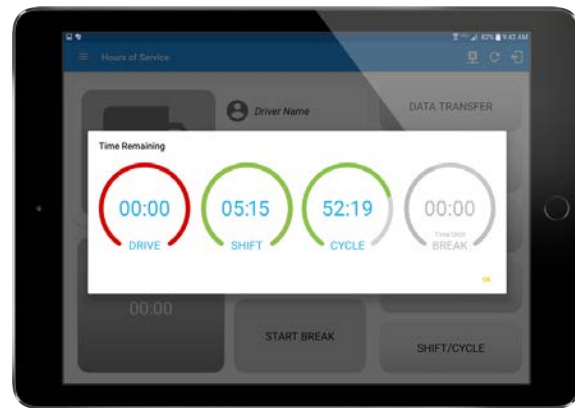

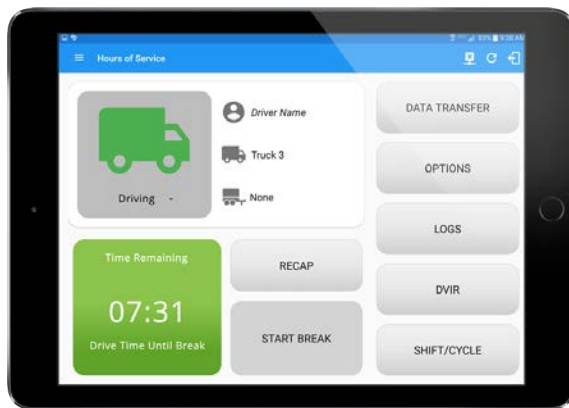

It's now easier than ever to complete and send DVIRs.

ELD Compliant

- ✓ ELD Compliant Solution
- ✓ IFTA Fuel Tax Reporting
- ✓ See HOS Status of All Vehicles
