**Availability:** Immediately Available.

**Applications:** Universal

*Rostra Accessories* is excited to announce the availability of all-new multi-camera integration systems for drivers that tow a trailer on a regular basis and long for added visibility behind, to the side of, in front of, and even inside of the trailer connected to the vehicle.

Now available for immediate purchase, Rostra's camera systems raise the bar in terms of build quality, affordability, and long-term dependability over currently-available competitive products. Have a look at these key features that distinguish Rostra from the rest of the industry:

### Product Features

8mm Reinforced Coil Cables

Others Use 4mm

Thread-Sealed Weatherproof Connectors

Others Use Push-Together Friction Fittings

Polished, Hardened Connection Points

Others Use Lightweight Molded Aluminum

Heavy-Duty Copper Pins for Positive Contact

Provision for One Camera with Audio Feed

Others Offer No Audio Capability In Their Harnesses
